

Important Information

INVESTORS SHOULD REALIZE THAT AN INVESTMENT IN FUND SHARES INVOLVES A HIGH DEGREE OF RISK AND THAT AN INVESTMENT IS ONLY SUITABLE FOR SOPHISTICATED INVESTORS WHO UNDERSTAND THE RISKS INVOLVED IN THE FUND'S INVESTMENT STRATEGY AND HAVE THE ABILITY AND WILLINGNESS TO ACCEPT THE RISK OF LOSS OF CAPITAL RESULTING FROM INVESTING.

The information on this website may inform you of certain investment products and services offered by Finanz Butik LLC or its affiliates (together, "Finanz Butik"). No information published on the website constitutes a solicitation, offer or recommendation to enter into any transaction. The products, services, information and/or materials referenced within these web pages may not be available for all individuals or residents of certain jurisdictions.

Any performance information shown on the website is presented net of all expenses, including management fees, performance fees and other expenses including portfolio-related expenses. Returns assume the reinvestment of all capital (including distributions, where applicable) on a monthly basis. Past performance is not indicative of future returns.

GENERAL RISKS & CONSIDERATIONS

Any views, strategies or products discussed on this website may not be appropriate or suitable for all individuals and are subject to risks. Investors may get back less than they invested, and past performance is not a reliable indicator of future results. Asset allocation does not guarantee a profit or protect against loss. Nothing on this website should be relied upon in isolation for the purpose of making an investment decision. You are urged to consider carefully whether the services, products, asset classes or strategies discussed are suitable to your needs. You must also consider the objectives, risks, charges, and expenses associated with an investment service, product or strategy prior to making an investment decision. Contact your Finanz Butik representative for additional information concerning your personal investment goals. You should be aware of the general and specific risks relevant to the matters discussed on this website. You will independently, without any reliance on Finanz Butik, make your own judgment and decision with respect to any investment or strategy referenced on this website.

NON-RELIANCE

Information contained on this website is believed to be reliable, though Finanz Butik does not represent or warrant its accuracy, reliability, or completeness, or accept any liability for any loss or damage (whether direct or indirect) arising out of the use of all or any part of the materials on this website. No representation or warranty should be made regarding any computations, graphs, tables, diagrams or commentary contained on this website, which are provided for illustration/reference purposes only. The views, opinions, estimates, and strategies expressed on this website constitute our judgment based on current market conditions and are subject to change without notice. Finanz Butik assumes no duty to update any information on this website in the event that such information changes. Views, opinions, estimates, and strategies expressed may

differ from those expressed by other areas of Finanz Butik, views expressed for other purposes or in other contexts, and the content should not be regarded as a research report. Any projected results and risks are based solely on hypothetical examples cited, and actual results and risks will vary depending on specific circumstances. Forward-looking statements should not be considered as guarantees or predictions of future events.

Nothing on this website shall be construed as giving rise to any duty of care owed to, or advisory relationship with, you or any third party. Nothing on this website shall be regarded as an offer, solicitation, recommendation, or advice (whether financial, accounting, legal, tax or other) given by Finanz Butik and/or its officers or employees, irrespective of whether or not such communication was given at your request. Finanz Butik and its affiliates and employees do not provide tax, legal or accounting advice. You should consult your own tax, legal and accounting advisors before engaging in any financial transactions.

The agreements entered into by, and disclosures provided to clients with respect to the different products and services provided by Finanz Butik should be carefully read, which contain important information, including our provision of services for important information about the capacity in which we will be acting.
