These materials are not intended to be an offer to sell, or solicitation to buy a unit in the condominium. Such an offering shall only be made pursuant to the prospectus (offering circular) for the condominium and no statements should be relied upon unless made in the prospectus or in the applicable purchase agreement. In no event shall any solicitation, offer or sale of a unit in the condominium be made in, or to residents of, any state or country in which such activity would be unlawful. This is not an offer to sell nor a solicitation to purchase a condominium be made in, or to residents of, any state or country in which such activity would be unlawful. This is not an offer to sell nor a solicitation to purchase a condominium be made in, or to residents of, any state or country in which such activity would be unlawful. This is not an offer to sell nor a solicitation to purchase a condominium be made in, or to residents of, any state or country in which such activity would be unlawful. This is not an offer to sell nor a solicitation to purchase a condominium be made in, or to residents of, any state or country in which such activity would be unlawful. This is not an offer to sell nor a solicitation to purchase a condominium be made in, or to residents of, any state or country in which such activity would be unlawful. This is not an offer to sell nor a solicitation to purchase a condominium provided to any percentage and dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls and in fact vary from the square footage and dimensions that would be determined by using the description and definition of the "Unit" set forth in the Declaration (which generally only includes the interior airspace between the perimeter walls and excludes all interior structural components and other common elements). This method is generally used in sales materials and is provided to allow a prospective buyer to compare the Units with units in other condominium projects that
